As we near the end of 2016, we will have had one of our busiest years. Today, the Guest House has 17 beds in two homes and will provide 5,300 guest nights of lodging in 2016, bringing the total nights of lodging provided since 2004 to over 55,000. We continue to see many people undergoing weeks, if not months of daily cancer treatments, and they need the Guest House more than ever. This "home away from home" is crucial to their healing.

Your support is essential and you are the reason the Guest House is able to provide lodging to so many in need. You not only provide our guests with a warm, safe place to stay, you give them peace of mind and for that they are grateful. We encourage you to drop by to see your hard earned money at work.

Directors Emeritus:

***Rand Tanner**

We also just kicked off a \$4.0 Million capital campaign to build an expansion of our facilities. To date we have raised just under \$2.0 Million. This expansion will increase our bed count from 17 to 33. If you are interested in learning more about the building campaign, please give Noreen a call at 775-324-6958, x12.
